

Description

The KC-MC1XDZP01 mating connector kit includes mating connector housing and crimp pins for use with *ADVANCED* Motion Controls MC1XDZPE01 and MC1XDZPC01 mounting card models. Each individual kit contains mating connector housing and crimp style contacts for the mounting card I/O, Feedback, Auxiliary Feedback, Communication, and STO connectors.*

MOUNTING CARD COMPATIBILITY

- MC1XDZPE01
- MC1XDZPC01

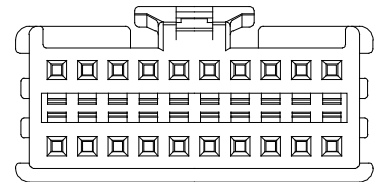

*Photo is for connector series reference only. 2 extra contacts included with kit. Crimping tool not included with KC-MC1XDZP01.

Included in KC-MC1XDZP01 Kit:

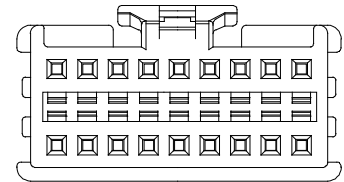

I/O Connector Mating Connector

Part Information: 20-port, dual-row, 2.00 mm spaced plug, vertical mount
 Manufacturer Part Number: Molex: P/N 51353-2000 (housing); 56134-9100 (contacts); 63811-6300 (crimp tool)
 Quantity: 1 housing, 20 crimp-style contacts

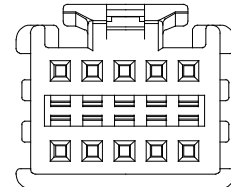

Feedback Connector Mating Connector

Part Information: 18-port, dual-row, 2.00 mm spaced plug, vertical mount
 Manufacturer Part Number: Molex: P/N 51353-1800 (housing); 56134-9100 (contacts) ; 63811-6300 (crimp tool)
 Quantity: 1 housing, 18 crimp-style contacts

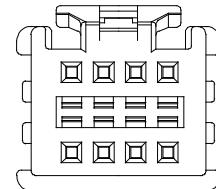

Auxiliary Feedback Connector Mating Connector

Part Information: 10-port, dual-row, 2.00 mm spaced plug, vertical mount
 Manufacturer Part Number: Molex: P/N 51353-1000 (housing); 56134-9100 (contacts) ; 63811-6300 (crimp tool)
 Quantity: 1 housing, 10 crimp-style contacts

Communication Connector Mating Connector

Part Information: 8-port, dual-row, 2.00 mm spaced plug, vertical mount
 Manufacturer Part Number: Molex: P/N 51353-0800 (housing); 56134-9100 (contacts) ; 63811-6300 (crimp tool)
 Quantity: 1 housing, 8 crimp-style contacts

STO Connector Mating Connector

Part Information: 8-port, dual-row, 2.00 mm spaced, enclosed, friction lock header
 Manufacturer Part Number: Molex: P/N 51110-0860 (housing); 50394-8051 (pins); 63819-0100 (crimp tool)
 Quantity: 1 housing, 8 crimp-style contacts
